Scoresheet info

- In the Qualifying challenges were defined by five different difficulty levels.
 - CH1 = easy = 1 point per completed challenge
 - CH2 = medium-easy = 1.5 points per completed challenge
 - CH3 = medium = 2 points per completed challenge
 - CH4 = medium-hard = 2.5 points per completed challenge
 - CH2 = hard = 3 points per completed challenge
-
- In the Final each finalist had five tries to complete three challenges.
 - If the results were the same, the ranking was defined by means of a game of stick.
