Swiss Jam 2026: Volunteers

Swiss Jam 2026 is Switzerland's biggest parkour gathering – bringing together open jams, the Swiss Parkour Championships, workshops, video awards and more. Hosted by the Swiss Parkour Association in collaboration with its member organisations, the event creates a unique space where the many dimensions of parkour become tangible: sport, art, culture and community.

We are looking for support to execute the event! Become part of the Swiss Jam fam!
